# Lucky me

I'm a fortunate person.

Almost all of my professional life, I've had the privilege of working with communications, in a broad sense. As I see it, perhaps the most interesting line of work there is.

This folder provides some examples. On page 5 market communications, on page 3 a few of the articles I've written and on page 4 a handful of photos. Page 6 finally, highlights my translation activities.

When you need assistance with your communications, welcome to Flaskborsten!

Kind regards,

*David Ehrenstråle*
